

miro Range

Miro is the monitor with three standard buttons for auxiliary functions, built-in induction loop for hearing-aid users and 4,3" colour display with which it is possible to exploit maximum power, functionality and versatility of 2Voice system also for audio or mixed systems.

In the **2Voice** digital version, **Miro Audio** adapts perfectly to its role of secondary indoor service station; in analogue systems **Miro Audio** is compatible with all **4+n** systems and is the ideal choice to replace old door phones or to turn the old bell ring into an audio system.
